TOWN CLERK
HARDWICK, MA

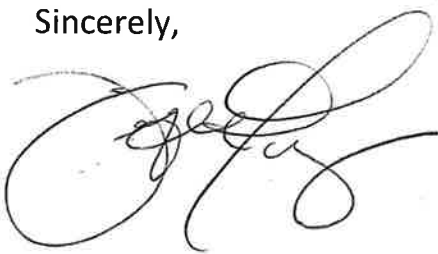

Dear Clerk Witkos

In accordance with MGL 268A 23(b)(3), I'm writing as a member of the Hardwick Planning Board in order to submit the following disclosure:

It is my understanding that the Planning Board may receive an application from KCI Technologies seeking a Special Permit to construct a wireless cell tower in the vicinity of O Barre Road and Ridge Road. My husband Chris Buelow is related to the owners of this property (members of the Goodfield family), specifically, they are second cousins. Neither myself, nor my immediate family would benefit financially if this project were to move forward.

As a voting member of the Planning Board, I will continue to act in an objective and impartial manner. I will not show undue favor, be improperly influenced, or be likely to act/fail to act as a result of kinship, rank, position, or undue influence.

Sincerely,

A handwritten signature in black ink, appearing to read 'Jenna Garvey', with a large, stylized initial 'J' and 'G'.
